Hello Greek Sisters!

ΔΔΔ

I just wanted to take a moment to welcome you to the Alumnae Panhellenic of Southern Dallas & Ellis Counties! As you may or may not know, our Alumnae Panhellenic was formed in 2004 to promote the Greek system, establish a scholarship, and write references for our college bound women. We have had a terrific seven years, writing references, and offering a scholarship to a deserving collegian from one of the twenty-six NPC sororities. We are still growing (and apparently moving further south!) However, we find ourselves in the challenging position of recruiting more members to help handle all the references we have written this summer ~ what a great problem to have! Currently, we are represented by 11 of the 26 NPC groups, so I do hope that you will consider joining our sisterhood to make our circle of friends complete! We are a fun loving, social chapter as you will see from the enclosed event calendar. We are on the web at www.swdallaspanhel.com so please feel free to check us out. Find us on FaceBook too and say hello! I do understand that everyone has a hectic busy schedule, so why not tack our social calendar on your bulletin board, or frig to remind you of our upcoming events. Should you decide your schedule does not permit attending our events, I hope that you will support us by paying your local dues, or sending in a few dollars designated towards our scholarship fund.
